Bleed Area (0.0938")
4.9376" x 2.9376" Extend your background to fill the full bleed area. This will ensure you don't end up with white edges when your Magnets are trimmed.

Trim Line
4.75" x 2.75" This is where we aim to cut your Magnets.

Safe Zone (0.0938" from Trim)
4.5624" x 2.5624" Keep all the important bits of your design: text, logo, icons - inside this area. (Not your background, that still needs to run to the edges of the Bleed Area)
