Bleed Area (0.0938")
7.1876" x 4.1876" Extend your background to fill the full bleed area. This will ensure you don't end up with white edges when your Magnets are trimmed.

Trim Line
7" x 4" This is where we aim to cut your Magnets.

Safe Zone (0.0938" from Trim)
6.8124" x 3.8124" Keep all the important bits of your design: text, logo, icons - inside this area. (Not your background, that still needs to run to the edges of the Bleed Area)
